

Archiving of Digitally Recorded Narrative Video Interviews

To do a lot on very little Resources

STIFTUNG
GESCHICHTE DES
RUHRGEBIETS

digital preservation:

"to maintain the object of preservation for as long as required,
in a form which is authentic, and accessible to users"

(Adrian Brown)

Key Question:

How to ensure authenticity and integrity of the archival
document if you need to exchange the data storage medium
as well as the data format?
